

# Power Profile

**Application:** Pleasure Craft

**Vessel Name:** Bun Bun

“Bun Bun”, a Regulator 34 tender for the luxurious motor yacht Valinor, showcases the perfect blend of performance and practicality. Equipped with twin Cox 300 diesel outboards, installed by Brisbane-based experts Maritime Professional Solutions, this tender is designed for speed, reliability, and efficiency. With a cruise speed of 24 knots and a top speed of 32 knots, Bun Bun ensures seamless operation for the demands of superyacht service.

The advanced Cox diesel outboards deliver exceptional torque, superior fuel economy, and safer fuel handling, making them ideal for tenders. As a critical part of Mothership Valinor’s fleet, this tender reflects craftsmanship and cutting-edge marine technology, ensuring it performs as elegantly as it looks.
